

# GLOBAL CLIMATE ACTION DAY

24 OCTOBER 2023

A SEMINAR on

# GENDER, ENVIRONMENT, AND DISPLACEMENTS

“Environmental disasters and climate change have direct negative impacts on the lives of those vulnerable and marginalized, such as women, old and infirm, members of the LGBTQ community, and individuals with disabilities.”

24 OCTOBER 2023 / 9:00 AM - 4:00 PM  
HOTEL AMBASSADOR - GARDEN 1  
SUKHUMVIT 11, BANGKOK, THAILAND

SEND AN E-MAIL TO JOIN

Take action with us and have a chance to win prizes !!!

## THEMES

Types of environmental disasters cause population movement in South and Southeast Asia

Impacts of displacements due to climate disasters on women and men and different vulnerable population groups, such as children, the elderly, people living with disabilities, and people identified as LGBTQ+

Examples of good practices to preventing and responding to disaster displacements.
